Oracle Volume XX — Issue III

Sometimes in February in Rochester, the snow can be ugly. You know, it becomes all slushy, all brown and black and gray. It loses its appeal. Even with a lighter amount for snow, that happened again this year. But then something happened today, Monday. It snowed. Quite a bit, actually. But this was a different snow. As I shoveled and then walked my dog around the street, I was awestruck by the sheer brilliant white of the new fallen snow. Since we had received so much snow, everything was covered over and covered up. There was no more brown, black, gray dismal snow — only pure white, beautiful, fresh-fallen new snow. How this new-fallen snow covers and makes the old brown, black, gray snow beautiful is, to me, very much like Lent and Easter.

Too often we stray from the ways God has called us into: ways of selflessness, compassion and understanding. When we do that, we become like the beautiful snow that has turned from its natural beautiful color. But, through the love, mercy, and grace of God, we don't need to stay in that place. Through the work of Jesus Christ on the cross, we are brought into a fuller, more beautiful and whole relationship with God Almighty. And out of that relationship, God covers us, like the new snow covers the old snow, with a newness that restores us to the natural beautiful people God created us to be.

On March 1st, Ash Wednesday, we begin the season of Lent. I so appreciate Lent because it feels like a gift — a gift of 6 weeks when we can set aside time to examine our lives — to quietly think and pray and begin to understand where we have fallen short of God's call on our lives, and to put plans into place to grow and improve those places. I hope you will take the opportunity of Lent to spend some quiet time with God, praying, thinking, and listening. Lent can be a great time to draw closer to God as we consider the work God has done on our behalf, and the future he has called us to.

Peace,  
*Pastor Tedd*

Welcome to the Committee Corner! Session has elected to highlight the many mission and outreach activities going on at OPC, both to inform congregants and visitors of all that we do, as well as to guide Stewardship communications. Each month, we will focus on the inner workings of one of our many committees. This will help keep the congregation up-to-date on the happenings, both current and future, in OPC, with the hopes that it might help people find a way to utilize their own talents in our church. It also shows why your financial contributions are so important to our overall ministry, and why your support is vital to the overall success of OPC and ensuring its place within our community.

## OPC TRUSTEES

The Trustees are responsible for the building and grounds at OPC. This includes all the mechanicals (electrical, plumbing, heating, along with the structural and hardware) and removing snow/ice from the parking lot and sidewalks in the winter, as well as lawn

mowing in the summer. The general daily/weekly cleaning (like washing floors and vacuuming rugs) is performed by the custodian. Much of the maintenance work is performed by trustees themselves or by other members, and sometimes non-members. We have been lucky to have a lot of people, both on trustees and non-trustees, with a wide range of talent/equipment that donate their time and expertise, so the costs have been kept to a minimum maintaining the building and grounds. The few items that require hiring someone are Fire Extinguisher Inspection, Fire Alarm Inspection/Certification, and parking lot snow removal.

There is an AED (Automatic Electronic Defibrillator) installed in the Fellowship Hall. There are a few of us that have received training on the use of this equipment. We encourage everyone to complete the CPR/AED courses that are offered by several local organizations.

Every month we have a Trustee assigned to be the primary contact for any building issues that may need attention. For lawn cutting, OPC has a riding mower that we maintain, and a dedicated lawn crew of trustees and non-trustees that volunteer to perform 1 week blocks of each month to cut and trim the lawn.

Each year we have two Trustee work days: one in the Spring, and one in the Fall. The Spring 2017 work day is scheduled for Saturday, April 29th. In addition to the Trustees, the Boy Scouts from our OPC sponsored Troop 92 join us for both work days, along with some non-trustee members. Most of the activities at these work days are doing general maintenance tasks. On the Spring work day, we get ready for Summer by cleaning, painting, and inspecting all the systems inside and out. For the Fall work day, we prepare for Winter by making sure the heating systems are in good working order, the smoke and CO2 detectors are operational, and all is protected from ice and snow damage. For each work day, we have a checklist with items reviewed and updated at our scheduled Trustee meetings. If you are interested in helping on those days, please see a Trustee for more details, or just arrive on the scheduled days. It's always a rewarding day working together to make us all proud of our beautiful country church.

In 2017, some of the maintenance/improvements we are currently planning are installing electric in and to the Pavilion, replacing the electric line to the sign, completing heating system repairs, painting the outside handrails, shed, fire escape, and doors. We also have plans to remodel the Narthex coat room.

Please keep OPC in mind if you are discarding scrap metal. Throughout the year, we collect metal and exchange it for money at the recycling facility. All the money is used to offset operating expenses for OPC.

Our heartfelt thanks to OPC and the Deacons for all their prayers for our son Kevin Glor and family, and for 3-yr-old Kaleb. It was a scary week at Strong for our grandson with his high fevers. After your prayers Sunday, Kaleb did a complete turn around, fevers gone, and was home on Tuesday. Thank God for all his blessings, and for your prayers which kept us calm during a very stressful time. More tests to follow, but happy to have him home.

~Ron and Deb Glor

## STITCHIN' FOR MISSION

The Stitchin' for Mission group continues to meet the 2nd Thursday of each month from 10-Noon at OPC. We have a group of very dedicated people who crochet/knit afghans and others who sew squares together to make quilts. We then give them to people who need the love they bring when they are ill or are having a difficult time in their life. In the past couple of months, we have given to OPC members and friends and to outside organizations. We recently sent 16 quilts to the Unity

Cancer Center at Park Ridge Hospital and to the Unity Dialysis Unit in Spencerport. I would like to send a big thank you for all the dedication and work that this group does. If the group is something you might be interested in, please come and join us to see what we do. If you have any questions, call Marilyn Malloy at 723-1731.

## WOMEN'S TUESDAY MORNING BIBLE STUDY

**Who is Jesus?** *What a Difference a Lens Makes* by Judy Yates Siker

will be the winter study for the Women's Tuesday Morning Bible Study. Each of the study's nine lessons explores the question "Who is Jesus?" through a particular theological lens. Who is Jesus...

according to the Gospel writers, Hebrews, other Abrahamic Faiths, and Contemporary Cultural.

Who do you say Jesus is? Join us **Tuesday mornings at 9:30am** as we expand our understanding of who Jesus was and is — a journey of our hearts and minds and a journey we will take together.

All OPC women and their friends are welcome. See Anne Wallace for more information.

## FOOD SHELF CURRENT NEEDS

Cookies, Crackers, Canned Stew, and Canned Hash are in short supply right now at the Food Shelf. Any cash donations toward purchase of gift cards can be given to Jean Schult or Andy Resch.

Thank you to all the OPC members who have been filling the boxes in the Narthex with food and household items for the Food Shelf. There was a trunk load delivered on December 22nd, and the stockers were amazed at how generous the folks at OPC are! Thank you!!!

~Jean Schult and Andy Resch, Food Shelf Representatives

## WOMEN'S BIBLE STUDY PROJECT

Women's Bible Study continues to collect, clean, package and send used pill bottles to Matthew 25 Ministries. So far, we have sent over 2,500 bottles and have more to send soon! Thank you all for your bottles, and continue to drop them off in the box on the Mission Table.

~Sharon Pittman, for Women's Bible Study

## DINNERS FOR 8 ARE BACK!!!

The Discipleship Committee is excited to announce that "Dinners for 8" are returning by popular request. The first one will be **Saturday, February 25th** at the home of Roger & Bonnie Howlett. As previously, the goal of these dinners is to promote deeper connections among members of the congregation, and attendance will be limited to eight guests plus the hosts.

**A sign-up sheet is on the Discipleship Board in the Fellowship Hall.**

We are also seeking volunteers who would be willing to host future dinners at their homes. Hosts are free to choose the date and time of their dinner, as well as the preferred number of guests. Hosts often provide a main dish with the guests bringing other dishes, but individual dinners may vary. A sign-up sheet for volunteer hosts is also posted. We hope you will join us! Bon appetite!!!

## OPC KITCHEN REMINDERS...

Presbyterian Women supply the "staples" for the OPC kitchen (i.e. coffee, tea, sugar, creamer, etc.). If you find we are running low on such items, please put a note in the PW file folder in the filing cabinet so the items can be restocked.

Also, if you find items broken or not working, etc., again, please put a note in the PW file folder so we can either replace the item or have it repaired. We give our coffee pots, etc., quite a work-out and we know they all don't last forever... we want to have them working properly when you need them!

With many helping hands and outside committees using our church, we want to be able to keep up as best as possible with such matters.

There are Clorox wipes for use in wiping down the counters. Please use both before preparing foods and for cleanup. Please label items in the refrigerator so we know who they belong to. If items are left, either label them with your committee name, etc., so that we don't dispose of items designated for use OR remove them in order to keep the refrigerator available for use by all committees.

Again, most kitchen items are financed through PW's budget, so communication is important when something needs doing, replacing, etc. Thank you all for your help and all you do for OPC!

MISSION TRIP

Help support the Summer 2017 Youth Mission Trip to 'The Pittsburgh Project'

This July, a mission team with participants from both Spencerport United Methodist and OPC will head off for an urban service mission trip to Pittsburgh. Crazy cobblestone streets and soaring steel bridges connect neighborhoods dotted with elderly, isolated residents who need help. Our group will spend a week rebuilding their homes. We'll bear witness to God's great love, and we'll see God in action throughout our visit.

Our days will be spent in service to the city's elderly, poor, shut-in, widowed, and disabled, addressing home repair needs. Projects usually include painting, dry walling, carpentry, and yard work. We'll see the difference we've made by the end of our week. We'll know that God worked through the relationships we've built and the work we've labored to finish.

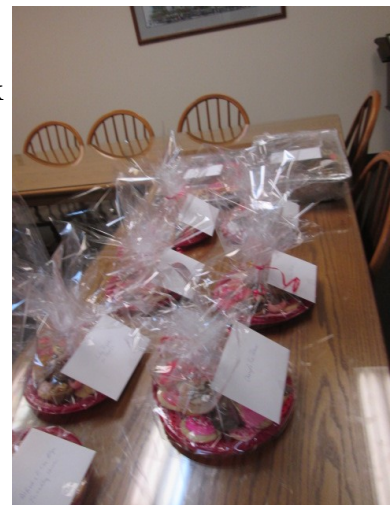

After each day's work is complete, we gather for reflection, teaching, and worship, so that we are nurtured and encouraged for ongoing ministry back home. Designed with the hope of transforming our hearts and minds toward Christ, service camp will challenge us to take on a worldview that is underpinned by Christ-like service and instruction from the Bible.

Contact Donna Metherell at OPC or Bev Compertore at SUMC if you'd like more information.

## A HUGE THANK YOU!!!

The Mission Committee would like to thank everyone who baked a large selection of delicious Valentine's cookies. Nine cookie trays were delivered to OPC members and 2 very large trays were delivered to the Open Door Mission and the Eagle Star Veterans Home in Spencerport. We would also like to thank everyone who donated cans of soup for Souper Bowl of Caring Sunday. Seventy cans of soup including turkey broth and ramen noodles were delivered to the Food Shelf! Thank you!

A special THANK YOU to Mary Lynn Watson for the beautiful hats you made for the men at the Open Door Mission. Your time and talent are greatly appreciated! God bless!

**CONGRATULATIONS to Sherry and Jamie Bigelow  
(and big sister Aubrey) on the birth of  
MACKENZIE EMMA BIGELOW!**

Dear Ogden Presbyterian Church,

Thank you so much for the beautiful quilt you gave to Mackenzie! She sleeps so well snuggled up in it! Also thank you for the beautiful rosebud and announcement... that was so special!

Love, Sherry, Jamie, Aubrey, & Mackenzie Bigelow

**THANK YOU!**

Dear Mission Committee,  
Thank you for the Valentines cookies! I feel the love!

Also, I really enjoy the Bible Studies and Sermons that Pastor Tedd sends me. Thank you all so much! ~Clara Reiber

**FEBRUARY SESSION HIGHLIGHTS**

The OPC Session met on Tuesday, February 21st. Some highlights from the meeting included:

- ❖ An opening devotional where we completed the sentence "Prayer is \_\_\_\_\_." This led to a positive discussion about keeping prayer centered in our lives.
- ❖ A review of the Mission Study, which is the second phase of our interim journey, and is now underway. A committee has formed and begun to explore important questions. Over the next 3-4 months, the congregation will answer:
  - a) Who are we?
  - b) Who are our neighbors?
  - c) What is God calling us to do next?
- ❖ A motion was approved to purchase Suburban News advertising as a one-year block. This is aimed at announcing important holidays and special OPC events, and can be used by several committees and groups. It also includes weekly postings in the Church section.
- ❖ All Session committees and OPC workgroups are busy and happy doing God's work. Church leadership is evident through noteworthy committee accomplishments. Thanks to all!
- ❖ The church calendar for the Easter season is complete. Services will be held Ash Wednesday, Maundy Thursday and Easter Sunday. On Good Friday, the Sanctuary is open from Noon to 3pm for reflection and meditation.

OPC is blessed with many gifts. Thanks be to God!

Warmly, OPC Session
